

# QUALITY POLICY

**Vantage Building Control Ltd is a licensed Corporate Approved Inspector delivering the Building Control function to the Construction Industry.**

It is the objective of Vantage Building Control Ltd to satisfy the quality and delivery requirements of our customers, to achieve our business strategy. We will measure our performance in meeting customers' requirements and work with them to continually improve the service that we provide.

To achieve this objective, the company maintains a Quality Management System in line with the requirements of the ISO 9001:2015 international standard.

Vantage Building Control Ltd are committed to the following quality policy requirements:

- The achievement and enhancement of customer satisfaction.
- The development of an effective communicative and problem solving culture.
- Satisfying the requirements of all applicable statutory and regulatory requirements and any other compliance obligations.
- Compliance to the requirements of ISO 9001:2015 and to the continual improvement of our quality management system, individual employee and overall business performance.
- Establishing and reviewing quality objectives via the management review process
- Communicating the requirements of our quality management system to all employees and consultants.
- Reviewing this quality policy for continuing suitability via the management review process.

Policy has been approved on the behalf of the Directors.
